

Kent County Championships 2026 – Update 3 – 2025-12-16

Update 3 (16th December 2025)

We have received a query regarding 800m Freestyle times achieved on the final qualifying weekend before the championships, and whether delays to rankings uploads will prevent these times from being accepted.

To clarify, any 800m Freestyle time recorded before 23:59 on 3rd January 2026 will be eligible for entry to the Championships.

In the event that an 800m Freestyle time has not been entered on to rankings at the time of entry, gala secretaries should do the following:

- Fill out the entry file on SportSystems as much as possible
- For each 800m Free entry that cannot be put on SportSystems due to a time that is not uploaded to Rankings, please note in your email the swimmer's name, Date of Birth, SE Number, which meet the time was achieved at, the date of the meet, and the time achieved. Where possible, please also send a PDF copy of the results from the relevant session of the meet.

The entries will be checked against rankings up to the first day of the Championships. If a time does not appear on rankings before the 800m Freestyle, the Promoter reserves the right to reject the entry without refund up to the start of warm up on the 17th of January.
